Order Your Recital Tee Shirts Soon !

Our Design is complete thanks to our Alumni Nora Slonim. This vintage design based on the late 70's movie "Grease" is adorable! The back will have a quote from the song "We Go Together".

We are taking orders earlier this year so the students can wear them in April and May.

All orders need to be placed by March 23rd. Production will start in March. If you don't place the order in March there will be limited sizes available at the recital. Don't Miss Out! Look for order forms in your email.

LOST & FOUND

Our lost & found table is filling up. Please check to see if you left any of your belongings. Items not picked up will be donated or on the "Free Table" soon.

GOOD LUCK!

Wishing all our dancers competing in NYCDA this month much luck!
