

Dear Parents,

We can't wait! Picture days are **Mon., April 20th, Tues., April 21st Wed., April 22nd** .

The schedule is now complete. Please review it to see what day and time your child's pictures will be taken. **We kindly ask parents not to request to change the schedule.** Thank You for your cooperation. **NOTE:** Your child's teachers will be sending out information sheets this month explaining what your child needs to be prepared for their picture day.

Creative Photography will be offering several package options and fun extras to choose from. Gary will be sending out an email with information and a list of options which I will be forwarding to all of our dance families. All photo orders are done online now. There will be no more envelopes handed out. Pictures will need to be ordered online before your child comes in for their pictures.

Picture Day Information:

Please have your child to the studio, dressed in their costume and ready to go 10 minutes before their scheduled time. We can't wait for anyone and hold up our schedule. We certainly want your child to be in their class pictures so please come on time. If you are late and miss the group shot, your child can still have a single shot taken.

All parents must wait out in our waiting room or outside as we don't want to crowd the changing room in the front studio. **Parents are not permitted in the back studio where pictures are being taken.** Your online orders need to be paid to Gary before your child can go to the back studio to be photographed.

NOTE: Kindly clean up the area in the front studio where you were changing. Check for all your belongings before you leave. If your child is in several dances, a rolling rack helps to keep costumes in order. You can come in to help set them up but then you must leave.

General Information: *Please have your child's hair and makeup nice and neat as these pictures are often displayed on our website, at the studio and sometimes for advertisement. Spray or gel the hair so there are no "wispy's".* **No bright nail polish or jewelry is to be worn.** Please make sure the week before pictures your child has the right colored shoes, tights, socks, hair accessories, etc.

I know you will love your child's pictures by Creative Photography! When pictures are ready, you will also be sent an email with a link to view and purchase any candid shots that your child may be in. Your child's class photos will be handed out approximately 4 1/2 weeks after our picture days. There will be a day set up to come to the studio to pick up your child's pictures.

We can't wait to see everyone in their costumes!

Ms. Sue 😊

PICTURE SCHEDULE

MONDAY, APRIL 20TH
